Research Interests

GIS-RS Applications, Environmental Monitoring and Assessment with UAVs, LULC Change Dynamics, Hydrology and Fluvial Morphology, Water Quality, Ecological Modelling, Urban Environmental Study,

Teaching and Professional Experiences

Assistant Professor, Dept. of Environmental Science and Geography

- Preparing and delivering undergraduate and/or graduate-level lectures;
- Developing course materials, including syllabi, assignments, and exams;
- Conducting lab courses and fieldwork;
- Supervising student research projects, theses, or dissertations; and
- Attending faculty meetings and contributing to institutional decision-making.

Islamic University Bangladesh

Kushtia-7003

July 2021-Ongoing

Chairman, Dept. of Environmental Science and Geography

- Provided strategic direction for the department, aligning with the university's mission and goals;
- Represented the department in university-wide initiatives and discussions;
- Oversaw curriculum development, review, and implementation;
- Managed student enrollment, academic advising, and program assessments;
- Recruited, hired, and retained qualified faculty and staff;
- Prepared and managed the department's budget, ensuring efficient allocation of resources;
- Oversaw the maintenance of equipment, labs, seminar library, and other departmental resources;
- Acted as the primary liaison between the department and other university units, including administration, other departments, and external stakeholders; and
- Organized departmental events, seminars, and networking opportunities for faculty, students, and professionals.

Islamic University Bangladesh

Kushtia-7003

Sep 2021-Sep 2024

House Tutor, Lalon Shah Hall

- Acted as a mentor and guide for students, addressing their academic, emotional, and personal concerns;
- Referred students to university counseling, medical, or support services;

Islamic University Bangladesh

Kushtia-7003

Feb 2019-Feb 2021

- Ensured that students adhered to the hall's rules, regulations, and code of conduct;
- Addressed issues like noise complaints, vandalism, or breaches of hall policies;
- Helped organize hall events like orientation programs, sports competitions, or cultural festivals; and
- Coordinated with university authorities or emergency services when needed.

Lecturer, Dept. of Environmental Science and Geography

Islamic University Bangladesh
Kushtia-7003
July 2018-July 2021

- Prepared and delivered lectures, seminars, and tutorials for undergraduate and postgraduate courses;
- Designed and updated course materials, including syllabi, assignments, and exams;
- Assess and grade student work, providing constructive feedback;
- Supervise student projects, dissertations, and theses; and
- Participate in departmental, faculty, or university committees.

Remote Sensing and GIS Analyst, RS, GIS, and Modelling Division

**Bangladesh Centre for
Advanced Studies**
Dhaka, Bangladesh
Aug 2017-July 2018

- Acquired satellite imagery, aerial photographs, LiDAR, or other remote sensing data;
- Integrated data from various sources, including GPS, field surveys, and other spatial datasets;
- Performed spatial analysis and image interpretation to identify patterns, changes, or trends;
- Developed high-quality thematic maps for applications such as urban planning, environmental monitoring, disaster management, and natural resource management;
- Developed custom GIS tools, scripts, or models using programming languages (e.g., Python, R, MATLAB) to automate workflows and enhance analysis;
- Planned and managed remote sensing and GIS projects, ensuring timely delivery of results;
- Prepared technical reports, presentations, and documentation for stakeholders.
- Collaborated with project teams, researchers, or clients to define project goals and requirements; and
- Provided technical support and training on remote sensing and GIS tools and techniques to colleagues or stakeholders.

Research Assistant, SUST Research Center

**Shahjalal University of Science
and Technology**
Sylhet, Bangladesh
July 2015-June 2016

- Planned, modified, and executed research techniques and procedures;
- Collected research data through experimentation, surveys, and leading focus groups; and
- Performed statistical, qualitative, and quantitative analysis and prepared report prepared scientific reports.

Personal Information:

Full Name : Mohammad (Md.) Inzamul Haque Sazal
Date of birth : 29-03-1992
Blood group : A (+ve)
Sex : Male
Nationality : Bangladeshi
National Id : 19924925203000070
Passport Id : BB0650585
Father's name : Md. Samsuddin Altamas
Mother's name : Mousumi Begum
Present address : House no. 188, D Block, Housing Estate, Kushtia.
Permanent address : House no. 117, Road no. 01, Ward no. 22, Kamapara, Rangpur Sadar.

Educational Qualification

M.S. Shahjalal University of Science and Technology Sylhet, Bangladesh
Major: Geography and Environment Feb 2016-July2017
Result: CGPA: 3.77 on a scale of 4.00 (with Distinction)

B.Sc. Shahjalal University of Science and Technology Sylhet, Bangladesh
Major: Geography and Environment Jan 2011-June 2015
Result: CGPA: 3.64 on a scale of 4.00

English Proficiency Score

IELTS, Overall Score: 7

Courses Taught

Theoretical Courses- Physical Geography, Introduction to GIS, Remote Sensing, Hydrology and Fluvial Morphology, Geology, Geomorphology, Oceanography, Biogeography, Quantitative Techniques, Geoinformation Science and Technology, Geoinformatics in Disaster Management, Research Methodology, Geophysics, Geochemistry, Gender and Environment, Ecotourism, Economic Geography, Cartography, Environmental Modeling Wastewater treatment. Delta Resource Planning and Management, Flood and River management.

Lab Courses- Physical Geography, Cartographic Techniques, Geophysics, Geochemistry, Geological Mapping and Rocks & Mineral Identification, GIS Application, Remote Sensing, Advanced Spatial Analysis.

Fieldworks- Socio-economic Survey, Physical Observation, Geological Investigation, LULC survey and Planning, and Microregion Survey.

Technical Skills

- GIS-RS Based**
- *Spatial Analysis Tool (software package):* ArcGIS Pro, ArcGIS Basic, QGIS, SAGAGIS, Erdas Imagine, ENVI, IDRISI Selva, Surfer, etc.
 - *GIS-Based Skill:* Cartographic Analysis (Digitizing, Geo-referencing, Generalization etc.), Geo-processing (Clip, Union, Intersect, Merge, Dissolve etc.), Spatial and Geostatistical Analysis (Extraction, Interpolation, Map Algebra, Spatial Autocorrelation, Clustering, Nearest neighbor, Hotspot Analysis, Network Analysis) Modeling (raster-based: DEM, 3D Surface Modeling, RUSLE, Watershed modeling: flow direction, accumulation, length, stream order etc.)
 - *RS Based Skill:* Satellite Data- Acquisition, Preparation (AOI, Composite Generation, Spectral Generalization), Pre-Processing (Geometric correction, Radiometric calibration, Spectral enhancement, Interpolation, PCA), Classification (Supervised: Max likelihood, Min Distance, Binary Encoding, Support vector Machine, Unsupervised: IsoData, K-means), Spectral Indexing (NDVI, MNDVI, NDWI, MNDWI, NDBI, NDSSI, SAVI etc.), Change Detection (Image Differencing, Image Rationing, Thematic Change Workflow, Adaptive Thresholding, Image Statistics: CROSSTAB, Change Vector Analysis etc.), Post Processing (Resampling, Smoothing etc.)
- Statistical**
- *Statistical Analysis Tool (Software Package):* SPSS, Excel
 - *Analytical:* Univariate/multivariate methods (regression, general linear models, logistic regression etc.), categorical analysis, descriptive statistics, confidence intervals/effect sizes, identifying and accounting for missing data, etc.
- Programming**
- Database programming ORACLE MySQL,
 - Python, GeoAI, Machine Learning (currently learning)

Technical Training

Foundation Training for University Teachers

Graduate Training Institute,
Bangladesh Agricultural University
November 2019

Tailor Made Training (TMT): Capacity building for RS & GIS researchers on the use of UAV images and their application in food security, forestry and mangrove

University of Twente, Netherlands
and Bangladesh Centre for Advanced Studies
April 2018

SERVIR Himalayan Youth Forum –
Empowering Youth with Earth Observation
Information for Climate Actions in Bangladesh

Bangladesh Centre for Advanced Studies (BCAS),
ICIMOD, USAID and NASA.
May 2014

Projects/Thesis Supervised

Projects-

B.Sc. Level: 15
MSc Level: 3

Thesis-

MSc Level: 3

Project Experience

Principal Investigator,

“Hydro-Ecological Assessment of Flash Flood Dynamics and Ecosystem Resilience in the Haor Basin of Northeastern Bangladesh”

Bangladesh University Grant Commission
ongoing
<https://ugc.gov.bd/>
<https://iu.ac.bd>

Principal Investigator,

“A Comprehensive Analysis of Water Quality in Pipeline Water and its Associated Health Risks in Kushtia Municipality”

Bangladesh University Grant Commission and
Islamic University Bangladesh
July 2024-June 2025
<https://ugc.gov.bd/>
<https://iu.ac.bd>

Remote Sensing & GIS Analyst,

“GEOPOTATO”

Using satellite data and powerful analysis models, GeoPotato is designed to enable preventive spraying, easier crop protection decisions, and improved potato farmer income.

Bangladesh Centre for Advanced Studies
Aug 2017-July 2018
<https://bcas.net/>

Remote Sensing & GIS Analyst, Bangladesh Centre for Advanced Studies
“Himalayan Adaptation, Water and Resilience (HI-AWARE)” Aug 2017-July 2018
<https://bcas.net/>
Research on Glacier and Snowpack Dependent River Basins for Improving Livelihoods.

Project Fellow, SUST Research Centre
“An analysis of Surma river dynamics using multi-temporal satellite image” July15-June 16
www.sust.edu

Fellowship and Research Grants

- **University Grant Commission (UGC) Research Fellowship (July 2024-June 2025)**
Role: Principal Investigator
Grant Ref: 141/Edu/IU-2024/31
- **National Science and Technology (NST) Fellowship (July 2016-June 2017)**
Role: Principal Investigator

Graduate (MS) Thesis

2017 **Haque, M.I.** (2017). Magnitude and Dynamics of Land Use/Land Cover: A Case Study of Tanguar Haor. Geography and Environment. Shahjalal University of Science and Technology. Sylhet.

Journal Articles (International peer-reviewed journals only)

- 2026 Dewan, M. A. I. *, **Haque, M. I.**, Rahman, M. A., Hossain, M. A., Hossain, M. A., Bashar, A. (2026). Landscape Transformation and Ecological Risk Assessment in Chalan Beel Wetland of Bangladesh Using Multispectral Satellite Data. *Turkish Journal of Remote Sensing*.
- 2026 Trina, M. S. S., **Haque, M. I.***, Rahman, M. A., Dewan, M. A. I., Parvin, M. A., & Hossain, M. A. (2026). Spatiotemporal change and population displacement due to erosion and accretion along the Jamuna River in Sirajganj from 1988 to 2024. *Jordan Journal of Earth and Environmental Sciences*, 17 (2), 187-198.
- 2026 Hossain, A., **Haque, I.**, Al Mamun, A., Al-Din Selim, S. M., Ara, H., Das, T. K., & Rahman, M. M.* (2026). Physicochemical and metagenomic characterization of drinking water: Public health implications in Kushtia Municipality, Bangladesh. *Environ Monit Assess* 198, 224. <https://doi.org/10.1007/s10661-026-15064-z>
